A MANUFACTURING RENAISSANCE: BOLSTERING US PRODUCTION FOR NATIONAL SECURITY AND ECONOMIC PROSPERITY

Report of the Task Force on National Security and US Manufacturing Competitiveness

The Reagan Institute announces solutions to reinvigorate American manufacturing and secure critical supply chains in their November 2021 bipartisan report. The report focuses on key recommendations: scaling up workforce training, establishing public-private partnerships, modernizing the Defense Production Act, and creating a new global forum for geoeconomic cooperation.

5TH ANNUAL SUPPLIER GROWTH SUMMIT & MATCHMAKER

December 7, 2021 9:00AM - 6:00PM

December 8, 2021 8:00AM - 5:00PM

The 2021 Supplier Growth Summit is designed to help CT suppliers meet with key buyers to ramp up their business development in a post-pandemic market. The centerpiece of the Supplier Growth Summit will be the virtual Business MatchMaker. Suppliers will have an opportunity to meet one-on-one with buying organizations. The virtual format allows us to expand the number of meetings and accommodate everyone's schedule. MatchMaker meetings will take place over one and half days. [Register Online.](#)

SOUTHWEST RSP

The Southwest Connecticut Manufacturing Partnership held their quarterly meeting on Friday, November 19th with a spectacular showing of local businesses, associations, training providers, and their WIB. They shared the early stages of SCMP website, collaborative marketing material, ideas for networking with young professionals, intent to build stronger relationships with their regional high schools, etc. They want to send the message to manufacturers that they "can't afford to NOT participate".

NEW CMC ORGANIZATIONAL GRAPHIC

We have updated the CMC graphic to include RSPs and the new ManufactureCT logo.

Please replace older versions on your websites. Thank you!
